

LAND OPERATIONS GOGGLE

The only goggle authorized by the US Army for use over prescription eyewear, the **ESS Land Ops™** is a high-performance goggle system for highly active ground troops. The **Land Ops™** features exceptional fog resistance, particle filtration, and all-day comfort. With its roomy frame, the **Land Ops™** is designed to fit over most eyeglasses. Available with or without **Stealth Sleeve™**.

Features	Description
Lenses	The Land Ops™ includes both clear and smoke gray 2.4mm polycarbonate high-impact lenses. Lenses have exceptional anti-fog coating as well as an abrasion resistance coating. All lenses provide 100% UVA/UVB protection. MIL STD 622 V50 impact rating: 650 ft/sec (.22 cal).
Vision	More peripheral vision than the Sun, Wind and Dust goggle. Precise optical clarity provides distortion-free vision.
Filtration	Fully ventilated frame for maximum airflow, superior fog resistance, and protection from airborne particles.
Frame / Strap	Designed with the high endurance activities in mind. Comes with soft face foam for superior comfort and absorption. 40mm wide adjustable wrap-around strap.
Extras	Extra lens has soft cloth pouch. Available with or without Stealth Sleeve™ , which eliminates glint off the lens and keeps the goggle clean and scratch-free when not being worn.

Accessories	Description
Tear-off lenses	Increase longevity of the primary lens and instantly restore clear vision when removed. Great in dirty, dusty environments.
Replacement lenses	Thanks to ESS Modular Technology™ , replacement lenses are inexpensive & easy to switch in/out of the goggle. Available in Clear, Gray, Amber, Dual Thermal and Green (Laser Protective).
Laser lenses	Laser Protective Lenses (LPLs) are available.
Rx insert	Rx integrations are simple: Rx lenses are fit by an optometrist into the ESS Rx Carrier , which then easily snaps inside the goggle frame.

Full compliance with the following standards and regulations:

- ANSI Z87.1+2003
- Impact requirements of MIL-V-43511C
- STANAG 2920 (Contact *ESS* for complete test results)
- CAN/CSA Z94.3-92
- CE EN166
