

Gladiator

The Gladiator, our only front-opening design, brings optimal convergence of protection and modular convenience in a complete tactical system. This front-opening vest is equipped with a 4-inch front panel overlap to maximize center mass protection. Complete with ballistic throat protection, ballistic collar, upper arm and groin protection the Gladiator provides complete and maximum protection. The Gladiator comes complete with the following eight (8) pockets: 7"x10" gas mask, 9mm handgun magazine, 4"x4" double handcuff, large OC, M-16 magazine, radio, 4"x6" utility, and 6"x8" utility.
